Dear Friends,

Since my own arrival on Powderhouse Road last year, a matriculation that mirrored that of my daughter Abigail, Class of 2017, I have been buoyed by Lawrence Academy’s vibrant, welcoming community. As an LA parent, it has been a distinct pleasure to hear the echoes of our own family’s experience in the testimonies of fellow parents and my daughter’s classmates. Meanwhile, the LA alumni have helped me to get to know our school’s traditions and history, even as they expressed the high expectations they hold for the future of their alma mater.

Each day, whether in my advisory, in staff meetings, or out in the community, it has been a sincere pleasure to hear about the many life-changing experiences others have had on the LA campus. As such, I continue to witness just how special it is to be representing Lawrence Academy, helping those people whose lives have been so positively affected by LA to give back to our school.

There is no greater evidence than the success of our fundraising efforts during the 2013–2014 year. On behalf of the entire LA community, we say “thank you” with sincere appreciation and gratitude. As a result of your kind generosity, Lawrence successfully achieved its most ambitious Annual Fund goal to date—raising nearly $1.7 million and surpassing the $1.5 million goal. It is our entire community’s dedication that fuels the success of our fundraising initiatives.

Now, as I enter my second full year at LA, my team and I are continuously inspired to help fulfill the high expectations of our diverse and close-knit community. And, with a combination of long-range vision and a want to preserve the school as we know it, our development program looks to strengthen LA’s commitment to progressive, student-centered education via continued, consistent efforts which will only sustain the LA experience, of which we are all so proud.

Everyone in the Development Office relishes the opportunity to get to better know you, your goals, and your dreams for LA. Please do not hesitate to contact us if we can be of service.

Sincerely,

Betsy Cote
Director of Development
Lawrence Academy

Alumni Giving

Lawrence Academy, like every independent school, relies on its alumni for philanthropic support to advance the mission of the school and provide LA’s dedicated faculty and staff with the resources to offer the highest quality education possible to our current and future students. Alumni serve and help promote the school in many ways – as Trustees, Alumni Council members, Class Agents, Ambassadors, Reunion Coordinators, Career Night participants, MLK Day Workshop participants, and Alumni Circle event hosts. We are grateful for all that our alumni do in support of the school.

Current Parent Giving

Lawrence Academy benefited greatly from the philanthropic support it received from current parents this past fiscal year. For a third consecutive year, parent participation was among the highest levels of support the school has ever received. Through the remarkable generosity of LA’s parents, the total dollars raised for the Annual Fund and Senior Parent Gift totaled $1,836,176, which reflects a 14% increase over the previous fiscal year. The impressive display of support broadcasts a strong message to all of LA’s constituents about how invested our current parents are in advancing the school. A special thanks goes to John and Sheri Bojanowskis for serving as Parent Fund Committee Chairs and to the entire Parent Fund Committee.

Senior Parent Gift

The Co-Chairs of the Class of 2014 SPG, Bob and LeeEllen Jones and Jeff and Sarah Newton, provided the perfect blend of ambition and enthusiasm toward achieving a second consecutive year of fundraising success for the Senior Parent Gift campaign. With the lofty goal of providing capital funding for all of the infrastructure of the school’s new media conference center along with continued support for the Annual Fund, the Co-Chairs and SPG Committee worked with diligence and dedication right up until graduation to complete the campaign. With construction underway as of the month of August, LA will have a functioning building in place before the end of the school year. A special thanks goes to: Head of School Dan Scheibe, Director of Development Betsy Cote, Director of Parent Programs Hellei Swartwood, the talented Co-Chairs, and the entire SPG Committee.

Parents of Alumni and Friends

Parents of Alumni and Friends of LA Giving

The financial support Lawrence Academy receives from parents of alumni is validating of the educational value their children received during their time at LA. The school’s mission and strong sense of community appeals to many others—widows, widowers, children of alumni, Groton area residents, and friends of the Academy—many of whom have made a contribution to help advance the school. We are truly grateful for the loyal and generous support these individuals provide.

FACULTY AND STAFF
The dedicated faculty and staff of Lawrence Academy provide the foundation for the high quality education and strong sense of community that benefits LA students. In their everyday approach to “recognizing students for who they are and inspiring them to take responsibility for who they want to become,” LA’s faculty and staff routinely put in the extra time and effort with our students. Understanding the role the Annual Fund has in supporting the school’s operating budget, the following faculty and staff generously contributed to this year’s fundraising efforts:

2014 Parents’ Association Spring Social

The 2014 Parents’ Association Spring Social was a wonderful success and magical evening for Lawrence Academy. More than 200 guests attended the annual event and helped to raise over $70,000 in support of the Annual Fund. The event was held on the terrace of the McDonald Library. It was a fun-filled evening for everyone in attendance and a celebration of all of the support LA receives. A very sincere thanks goes to all who contributed to the success of this year’s event.

2013-2014 Annual Giving Report

Volunteers
Our sincere thanks go to many alumni, parents, and friends who have so generously supported our golf tournament. The Concord Country Club in Concord, Mass., hosted Lawrence Academy and helped make it possible for Lawrence to raise over $20,000 for Winterim need-based financial aid. All proceeds from the tournament support the Richard H. Gagné Winterim Fund, which gave more than 24 students financial assistance so they could experience the Winterim course of their choice.
