Sports Camps

Baseball (5–15 years old)
Basketball (5–15 years old)
Boys’ Lacrosse (9–14 years old)
Field Hockey (9–14 years old)
Girls’ Lacrosse (9–14 years old)
Soccer (5–15 years old)

LA’s sports camps are top-notch! Each camp is led by Lawrence Academy’s varsity sports coaches and staffed by current varsity student athletes, college athletes (many are former LA students), and adult coaches from the community. Camps have a high focus on skills and drills, taking campers from good to great. Afternoons are spent putting campers’ skills to practice on the field or the court. Teamwork and sportsmanship are a central focus of our sports camps. Campers are split up by age and skill level in order to offer something for all levels of play.

Extended Care and Transportation Options

A.M. care is available from 7:30 a.m. until 9 a.m., when camps begin. P.M. care is available from 4 p.m., when camps end, until 6 p.m.
Extended afternoon care for LA Day pre-school campers is available from 2 p.m. until 4 p.m.
Bus transportation is available from Acton and Westford.
LA Summer Programs have been completely reinvented for 2016. With new staff and new minds, we have created a brand-new definition of fun. LA’s 135-acre campus now sports rock climbing as a daily activity, as well as yoga, music, archery, and even a “Mad Scientist” option. We have honed in our specialty camps and combined our day camp with some of the most popular options, such as photography and theater, so all our kids can have a taste of everything.

Safety is our number one priority. We allow kids to grow their skills within their comfort zone with experienced and well-trained staff to accompany and lead them. The majority of our staff are college-aged or older, and many are LA faculty and alumni. Lunch is included, and easy/extended care and transportation options aim to make parents’ lives as easy as possible... and kids’ lives beyond exciting!

2-Week Camp Sessions

LA Day (3–14 years old)
This day camp is divided into two-week sessions, and each group is divided by age. Every camper gets a lunch and a morning snack, as well as swim lessons scheduled into their days.

From there, different ages vary drastically, and each camper makes the choice of what he or she wants to do during the day. Older kids have access to fun, age-appropriate electives such as archery, jewelry making, cake decorating, photography, rock wall climbing, dance, yoga, “mad scientists,” and camp newscasters, among many others.

Shreds to Threads – Fashion Pros (13–15 years old)
This two-week long camp focuses on the more advanced designer. Campers will take scraps of clothes and other materials and design a complete outfit and compete with other designers to win the “Pro Fashionista” title and the top spot in our weekly runway show. Show your skills and prove your creativity while having the most fashionable fun of the entire summer!

CIT (Counselor in Training) (13–16 years old)
(NOTE: CIT camps are 4-week sessions.)
Not only are basic leadership, communication, team building, and management skills taught, CIT campers address and practice these skills with our younger campers. Thanks to the included CPR and Red Cross certifications, as well as interview practice, resume building, and a professional letter of recommendation, CITs will be well ahead of the game.

The CIT program is filled rolling applications, and limited spots are available, so contact us soon for an application!

Trip Camps

Outdoor Adventure (11–15 years old)
(NOTE: This camp requires a mandatory Monday morning swim test. All campers must pass the test in order to participate in this camp.)
Be adventurous and explore the outdoors! Trips such as rock climbing, white water rafting, stand-up paddle boarding, canoeing, and hiking are all included, and each one is more challenging than the last. This camp takes outdoor exploitation to a new extreme.

Nature Adventure (6–11 years old)
Love for the beauty in nature starts young. This program exposes campers to new places every day, where they can learn a new lesson about something outside. Drumlin Farms, Parker Farm for seasonal fruit picking, Southwick Zoo, and Purgatory Chasm are some of the highlights.

High Adventure (11–15 years old)
(NOTE: This camp is physically demanding. Please make sure your child is up for the physical challenges of this camp.)
We hope you aren't afraid of heights! Campers will zoom off each day to test their thrill-seeking skills on adventures such as a high ropes course, indoor skydiving, zip lining, an aerial park, outdoor boulder climbing, and go-karting.

Water Adventure (10–15 years old)
(NOTE: This camp requires a mandatory Monday morning swim test. All campers must pass the test in order to participate in this camp.)
The summer is hot, so why not cool off with our Water Adventure camp? Each day, campers will go off on a new H2O adventure, including trips to Sun’s Up, Cordella, and Water Country; a day of sea kayaking; and even a dip in the Atlantic Ocean. Bring your swimsuit, and let’s get splashing!

Specialty Camps (1-Week Sessions)

Rock on With RAOK (All ages 6+)
This community service-driven camp inspires campers to give back by making blankets for children with cancer, spending time with senior citizens, sorting food at the food pantry, and even sorting and creating emergency clothing bags. Every day, there is a new opportunity to do something good for others. Help us help others!

Robotics (10–14 years old)
Future engineers, come here! Learn to overcome obstacles and build some crazy cool machines. These bots are ripping and rolling over every obstacle, and every day presents a new puzzle to solve.

Robotics Jr. (7–10 years old)
“Jr.” does not mean any less robotics! Through a packed day full of obstacles, kids create robots that let their creativity shine. Robotics Jr. creates a whole new perspective on how to build.

Water Adventure (10–15 years old)
This two-week-long camp focuses on the more advanced designer. Campers will take scraps of clothes and other materials and design a complete outfit and compete with other designers to win the “Pro Fashionista” title and the top spot in our weekly runway show. Show your skills and prove your creativity while having the most fashionable fun of the entire summer!

CITs (Counselor in Training) (13–16 years old)
(NOTE: CIT camps are 4-week sessions.)
Not only are basic leadership, communication, team building, and management skills taught, CIT campers address and practice these skills with our younger campers. Thanks to the included CPR and Red Cross certifications, as well as interview practice, resume building, and a professional letter of recommendation, CITs will be well ahead of the game.
