

# Students should bring the following with them to school each day.

## Masks (3 per day)

*Acceptable face coverings include a variety of commercial and handmade cloth masks*

- Cloth masks should be at least 2 layers, washable, and either tie behind the head or have an elastic or strap that goes around and behind the ears
- Gaiters, bandanas, as well as masks with exhalation valves or vents, are not acceptable
- All masks must adhere to the Lawrence Academy Dress Code

## Laptop and Charger

## Headphones

Headphones that can connect to student's laptop

## Water Bottle

All water bottles should have a cover.

## LA Name Tag

LA will provide a lanyard with a nametag for each community member. Nametags will have pictures so that we can see each other's face.

## White Board Markers

LA will provide each student with a small white board. Students are expected to bring their whiteboard and their own personal markers to every class

## School Supplies

Students are encouraged to use organizational systems that work for them: binders, folders, notebooks. Individual teachers might make specific recommendations for each class once we are in session.

**Note:** For in-person orientation, students should bring masks, water bottle and their laptops.
