

LAWRENCE ACADEMY COMMUNITY HEALTH AGREEMENT

As an obligation to the well-being of our community and the communities around us, every individual affiliated with Lawrence Academy (all students, faculty, staff and families) must work in cooperation to keep our school safe and healthy. All community members are expected to sign this agreement to indicate understanding of and responsibility for the health & safety guidelines and community standards necessary during this global pandemic.

Should a community member fail to comply with these expectations, Lawrence Academy reserves the right to prohibit in-person attendance on campus and mandate remote participation at the school's discretion.

While the spirit of this agreement transcends any individual guideline or set of standards, the following agreements represent the foundational disciplines that will help keep community health intact and allow for continued operation. Your signature at the end of this document indicates your understanding and acceptance of these responsibilities:

Further, in taking responsibility for my role in the health and safety of our community during this pandemic, my signature affirms my acceptance of Lawrence Academy's community health and safety expectations.
