

You're Matriculating Too!

As your student joins the LA community,
we invite YOU to get involved.

Here's how...

Please join the Parents' Association and Head of School Dan Scheibe to learn more about Lawrence Academy and our active and fun PA. The meetings give parents the opportunity to gain deeper insight into their students' LA experiences, ask questions, and get better acquainted with other LA parents. All parents are automatically members of the Parents' Association, and full and active participation is encouraged.

Our kick-off meeting and social is Thursday, September 12 at 6:30 p.m. in the Media Conference Center (MCC). Look for more information about the evening on THE PAGE, a section on the LA homepage that provides a wealth of LA-related information.

To get involved in the Parents' Association, go to THE PAGE and look under "Parents' Association Information/Meetings/Dates" for the **volunteer form**. Fill out the online form, and a parent representative will contact you. It is very important to sign up online so that we can be sure to track and thank you!
